

**REQUEST FOR APPLICATION  
FY 2013 SENIOR TRANSPORTATION SERVICES GRANT COMPETITION**

**ADMENDMENT 1**

March 7, 2013

District of Columbia Office on Aging

The District of Columbia Office on Aging (DCOA) hereby issues the following clarification to the FY 2013 Senior Transportation Services Grant Request for Applications. Specific changes to the text within the RFA appear in bold type.

Appendices: [ATTACHMENT F Equipment Specifications]

**Boilerplate for Standard Equipment for all Vehicle Acquisitions**

All vehicles shall be new, readily available, 2012 or current model year production equivalent in any style, quality, and appointments to those offered to the general public. The vehicles will be supplied with all equipment and accessories indicated as standard equipment (fleet) in the manufacture's published literature and required equipment indicated in the contract. Upgrades required by manufacturer's changes during the contract are to be incorporated at no cost to the purchaser. Contract required equipment and contract bid options are to be factory equipment and factory installed, when available. This includes but is not limited to radios, cruise control, bumpers, trim panels, towing packages, and tires. If any equipment is to be dealer install, bidder must so indicate on bid and be prepared to provide warranty support of at least 1 year at no cost to the purchaser.

**Clarification:**

**Attachment F is provided to show the *Additional Standard Equipment Listing* for applicants to use if purchasing or leasing equipment to carry out services under this RFA. The paragraph above is not relevant to this RFA as it relates to the vehicle life standard requirements. Vehicles purchased before 2012 are suitable for use under this RFA.**
